## WORLD ENVIRONMENT DAY 2023

World Environment Day is celebrated globally on June 5 every year. It encourages worldwide awareness and action to protect our environment. The 50th celebration of W.E.D. focuses on solutions to plastic pollution under the campaign #Beat Plastic Pollution hosted by Côte d'Ivoire. The entire IISB vouched for the protection of the environment and showcased a variety of events to highlight the importance of safeguarding our surroundings. **Our students, once again proved to be the best of all!**

### *Special Assembly*

The morning assembly was an enthralling experience for our students. Students and teachers followed the "Go Green" sub-theme. The Morning Assemblies in Boys Section and Girls Section were addressed by the **PRINCIPAL MR. LAURANCE VARGHESE**

The Cultural Programs like skit, songs, and dance highlighted the importance of the day. The oath taken by the toddlers demonstrated their commitment towards protection of the environment.

**The Botanical Garden Show** - The Inter-House Competition was eye-catching as the students in large numbers brought saplings and potted plants. The occasion was graced by Dr. Syeda Tawkhira Tabasum - Member of the SMC. Madam appreciated the students, teachers, HOS and the Principal for the brilliant show!

## Winners of Botanical Garden Competition:

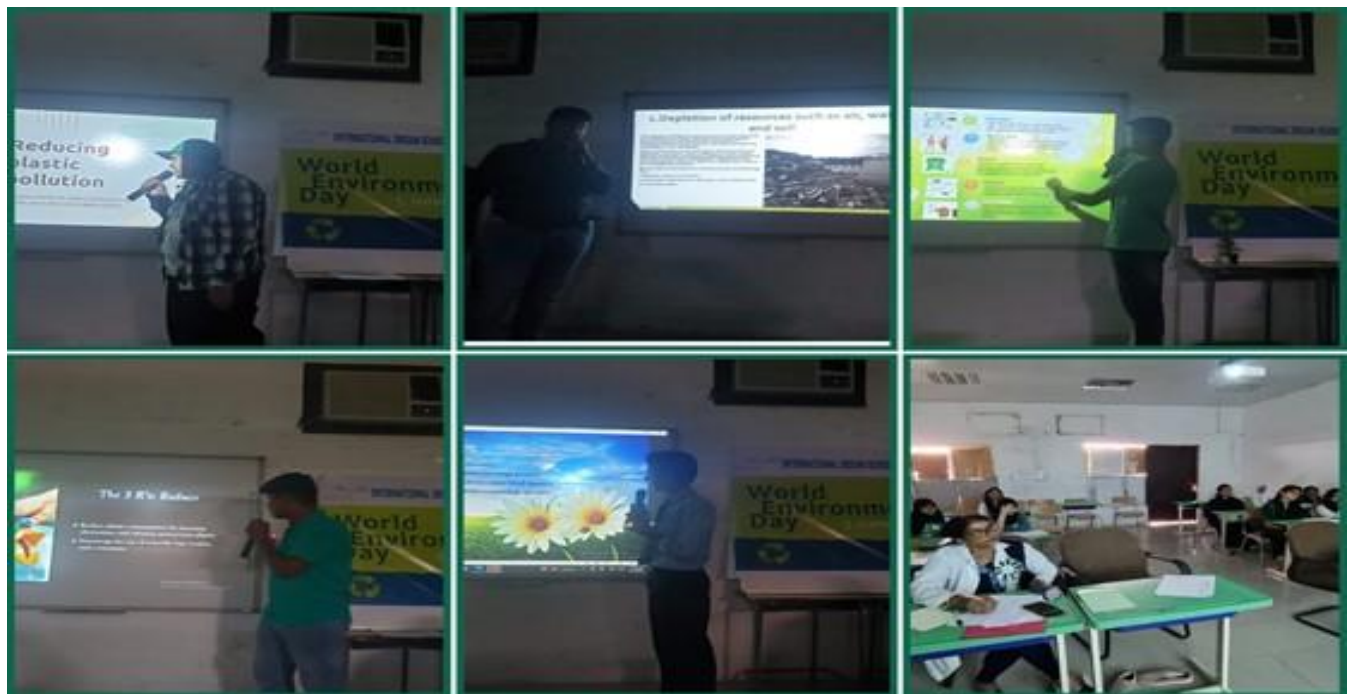

**Boys Section => First Position - Blue House Second Position - Red House.**

**Girls Section => First Position - Red House Second Position - Yellow House.**

The Principal appreciated the winning houses and urged all students to participate in the events!

**Power point presentation by Students:** Students of IISB are techno - Savvy and did a wonderful job with the PPT which highlighted the tools that could be used for the protection of the environment. Kudos to the participants as well as their Houses!!

**Winners of the Power point presentation:**  
**Boys Section => First Position – Yellow House**  
**Girls Section => First Position – Green House**

*“Seek clarity. Generate energy. Raise necessity. Increase productivity. Develop Influence. Demonstrate Courage. These are the six habits that you need to adopt if you are to reach high performance in any situation.”*

International Indian School Buraidah has set a standard of performance. We appreciate the enthusiastic students, dedicated teachers and thank our guiding force – School Managing Committee. We thank the parent community for their relentless cooperation and support.
