Sub: Books for 2026-27

Dear Parents,
Greetings!

This is to inform you that the sale of books/book sets for the 2026-27, through our vendor, has been delayed due to supply chain issues prevalent in the region.

We understand that this causes inconvenience and are working closely with the vendor to expedite the process.

The School is in possession of limited stocks of notebooks for sale. The parent / student may pay at the school cash counter and purchase the same till stocks last. We are continuously striving for replenishing the stock.

Meanwhile, the lists of notebooks and textbooks are uploaded in the school website,

<https://iisburaidah.org/data/TEXTBOOK-LIST-2026-27.pdf>

You may arrange Textbooks / Notebooks from anywhere as per your convenience. Please note that IISB follows the same textbooks list of IIS Riyadh.

With Best Regards,

Principal
