27<sup>th</sup> September 2023

**Sub: !NQUIZITIVE Evaluate your Science Quotient**

Dear Parents,

Greetings from IISB!

*The following excerpts are from the circular received from Vikram Sarabhai Science Foundation.*

Vikram Sarabhai Science Foundation cordially invites you to collaborate with us in the mission to ignite young minds and further to create awareness in Space Science as part of !NQUIZITIVE "Dream the Moon month" during September 2023.

VSSF's Science Awareness Activities are launched to create an awareness on topics of relevance that enhances science literacy within the student community. As part of the campaign, we are hosting webinars on **SPACE SCIENCE, QUIZ** and an **IDEATE CHALLENGE**. This is to lay a platform for the SCIENCE enthusiasts to understand and further interact with scientists and experts in this field.

While India is celebrating the moon, to create a better understanding a '**Free Quiz**' has been organized as part of the **VSSF Lunar Month**. It gives an opportunity to learners to understand their aptitude, identify and groom their scientific knowledge and work towards their areas of interest. Winners will be awarded exiting science prizes and the opportunity to interact with eminent scientists. Our mission is to ignite the Young Minds to think futuristic in science.

**Theme** : Earth to the Moon Story – Chandrayaan the Space Odyssey  
**To participate** : Register online [www.vssf.in](http://www.vssf.in)  
**Eligibility** : Students from Grades 3 to 12; Test Date : 4<sup>th</sup> – 10<sup>th</sup> October 2023  
**Mode** : Online MCQ quiz for 30 minutes purely focusing on Science with a special focus on Mission Chandrayaan  
**How to Participate** : Login to [www.vssf.in](http://www.vssf.in) and register free for !NQUIZITIVE – Earth to Moon quiz

You will receive the link for participating in the quiz competition on the specified day and time. Our students from grade 3 to 12 are encouraged to participate in the Quiz and be part of the upcoming scientifically inclined fraternity.

Best Wishes!

Principal
