Dear Parents,

Greetings from IISB!

This is to inform you that we have appointed a Special Educator and started a unit of SCCC in the school to take care of the academic needs of the differently abled children.

Parents can take appointment and visit school along with the child and discuss with the special educator about the special needs of your child.

Our motto is "No child should be left behind" and we will strive for inclusive education of the needy ones after giving them proper training.

Regards,

Principal
