C: Write the Answers of the given Questions-

1. How do the marvels of space and marvels of our own body point to the existence of Allah?

Ans: From the tiniest object like man on the earth to the huge constellations of stars visible to us, our sight is dazzled when we consider them. We stand in front of them bewildered and awestruck, and our faith in the grandeur and greatness of the creator consequently increases. These points prove the existence of Allah.

2. Why can't we say that the universe is the result of mere chance?

Ans: We cannot say that the universe is the result of mere chance because everything has a maker.

3. What lesson do the incidents of Ibrahim (A.S) and the man with the donkey have for us?

Ans: Allah the Almighty is powerful over anything. The keys of life and death are in the hands of Allah.

4. Where were the three men going?

Ans: The three men were going out for walking.

5. What does Allah command us about parents?

Ans: Allah has commanded us to be kind to our parents.

6. Mention various ways in which one could help our parents?

- Ans: a) Obey your parents. b) Never say 'no' to them for something they ask you to do.
- c) You may help them doing household jobs, keeping house clean etc.
- d) You may help them by comforting them and by looking after them in their sickness.
